

The Longing for hope

Our Hope: The fact

Hoping in our Hope: Our faith

Experiencing Hope: Our feeling

“We experience hope when we hope in our hope”

- I. Our Hope (The certainty of what God has provided and promised)**

What robs us of feeling hopeful?

Anything that takes our eyes off our hope!

- II. Hoping in our Hope (Living by faith and expectation in what God has provided and promised)**
- III. Experiencing Hope (Feeling hopeful because of what God has provided and promised)**
