

Heartline Bible Recap FAQs: Frequently Asked Questions

Why sign up to read with Heartline? Can't I just do the Bible Recap on my own?

You certainly can do it on your own—many already have! But as we do this together as a women's ministry, you'll receive personal encouragement, access to bonus teachings from our Women's Bible Teacher, Donna Jones, and others, along with invitations to occasional gatherings for our Bible Readers!

What's the daily time commitment of the Bible Recap?

You'll read 3 chapters a day (which takes about 20 minutes), listen to an 8-minute Podcast, and have the option of engaging with a 10 min. Study Guide. You can dive deeper each day if you want, but the total commitment is about 30 minutes (maybe more) per day.

I've never read the Bible before—is this going to be too advanced for me?

Girl, there's not a better time to start reading your Bible than NOW! The Bible Recap is the perfect tool to support you as it summarizes your reading and adds insight, understanding and perspective to every day of your reading. We're thrilled you found this!

Do I have to buy a chronological Bible?

No, as a matter of fact, we don't recommend it! Use your own Bible and let The Bible Recap tell you which chapters to read each day, as it may not align with another chronological Bible's reading plan.

Do I have to sign up for the Discussion Groups?

No, you can simply "Read With Us", but if you want to bring this to life and engage weekly with other women who are reading, we invite you to align with a Monday or Thursday group. If you're already connected here at Heartline (ie. Get Healthy, Get Strong, Heartline Moms, Prayer, Precepts) we encourage you to stay plugged in there and simply discuss with those ladies you already know!

I've already read the Bible and/or done The Bible Recap. What else is there for me this year?

First of all, you can never read the Bible too many times, so we invite you to do this WITH your church's Women's Ministry this time around! However, our Get Healthy, Get Strong, Precepts, Prayer, and Heartline Moms groups continue to meet this year. You can also check out crosslinechurch.com for other groups, studies and serving opportunities happening at Crossline this 2024.

This sounds intimidating! What happens if I fall behind?

Girl, same. We're all in this together and will be cheering each other on, but the reality is we will miss a day or too (or more). And when you do, you'll just pick up on that day's reading! You can go back later (or not) but 250/365 days of reading is better than 0/365! We're not going for perfection, we're going for growth, and together, we'll get there!

What if I miss the January 1 start?

You can join us anytime in the year—you'll simply pick up with us where we are! Welcome :) You can go back later, or in your own time, to catch up on anything you want to, but for now, just pick up on today's reading.

What platforms can I listen to the daily podcast on?

Visit thebiblerecap.com/start for all the reading plan and podcast info, but you can find the daily podcast on YouTube, Apple, Spotify, Podbean and more.
