## **Medication**

### Prescribed Medications, Vitamins & Supplements:

If you indicated your camper takes any of these on your Hume registration in the Hume Portal, we will collect them at check-in on the morning of July 27th. They will be turned into Hume Lake upon arrival and dispensed by camp nurses throughout the week.

Statement from Hume regarding this:

“We consider any vitamin, supplement, or over-the-counter therapy that is taken to treat a condition or maintain health to be a ‘medication.’ We are not able to give a medication that we cannot identify and dose from the original container. Sending medication in anything other than the original container may result in the camper not receiving it.”

### Recreation Colors

Rec colors are not mandatory but are a fun way to support your rec team and boost spirit!

- **Meadow Ranch:** Seafoam Green & Dark Red
- **Ponderosa:** Forest Green & Maroon

Spirit wear ideas: bandanas, headbands, armbands, face/body paint, tutus, wigs, glasses, morph suits, etc.

---

## Super Spirit Day (Middle & High School)

Braids & Beards, Ballgowns & Black Tie — unleash your inner warrior or your most refined self on a day of epic contrasts!

Channel the fierce spirit of a Viking with fur cloak and war paint or step into sophistication with top hats and tiaras. Will you conquer as a Viking, dazzle in elegance, or both?!

Spirit wear earns your Rec Team extra points!
